

## Notice

The Common Law Court 3Borders CDF, was founded in September 2015.

It is not subject to any civil or criminal law in any country. It has full power and authority given by sovereign men and women who want to live in a society based on Common Law.

The so called Swiss, German and French authorities neither consider the human rights nor work under ECHR despite having it signed. They rather act based on arbitrariness and abuse. The so called Swiss, German and French public authorities do not respect any give law, do not sign any document or letter and therefor non of it is valid. The so called Swiss, German and French public authorities are companies and have tax ID's. They even commit that they are enterprises on their homepages. Therefor they are no public authorities and can't take response bilities of any public administration.

Common Law has prerogative and superintends the actions of so called public authorities.

A huge number of men and women have signed an agreement that they will obey the Common Law which the Common Law Court 3Borders CDF represents.

When the Common Law Court 3Borders CDF acts under Natural Law, Internatinol Law and General Law, the so called Policemen and Policewomen have to follow the orders of the Sheriff of the Common Law Court 3Borders CDF.

This notice is for you to know without prejudice and not negotiable.
